

SAVE THE BAY®

NARRAGANSETT BAY

International Coastal Cleanup

At the International Coastal Cleanup, volunteers all over the world remove trash from the shores and document what they find. The data is compiled and published in an annual report on marine debris by the Ocean Conservancy. Policymakers use the information to raise awareness about marine debris and reduce the problem at the source.

Save The Bay, the Rhode Island State Coordinator, invites you to participate! Bags and disposable gloves provided at the cleanups. Please bring a reusable bottle of water and your own work gloves if you have them. Wear sturdy, closed-toe shoes and come dressed for the weather. This is a rain or shine event and will only be cancelled for thunderstorms or extreme weather. For more information and to sign up, please visit www.savebay.org/icc or contact Volunteer Manager July Lewis at jlewis@savebay.org or 401-272-3540 x130.

Thank you to Citizens Bank, National Grid, StoneRidge, Tanury Industries, Aquidneck Employment Services, Blum Shapiro, Clean Ocean Access, Graphic Innovations, Providence Autobody, Roy Carpenter's Beach, Walmart, and ZipCar - our sponsors who make the cleanup possible!

NOTE: Updated as of 10/13/16.

Saturday, October 15

NARRAGANSETT

Aunt Carrie's Beach, 10 AM-12 PM

1240 Ocean Rd, Narragansett, RI

Led by Matt & Heather Biben

Meet at: Aunt Carrie's Restaurant

Sunday, October 16

CRANSTON

Pawtuxet River Walkway, 11 AM – 1 PM

Meet at: Fay Memorial Field, Dallas Ave, Cranston, RI

MAP: <https://goo.gl/maps/mtj4yKgiArk>

Led by Save The Bay Volunteer Marc Cardin

WARWICK

Rocky Point, 10 AM-12 PM

Meet at: Parking lot at Rocky Point Ave and Palmer Ave

Approximate address for GPS: 8 Rocky Point Avenue, Warwick, RI

Sunday, October 23

NORTH KINGSTOWN

Compass Rose Beach, 10 AM-12 PM

Meet at: Compass Rose Beach, near the end of Roger Williams Way and just before the ferry building.

Approximate address for GPS: 1347 Roger Williams Way, North Kingstown, RI. This will overshoot the beach entrance by a bit. Keep an eye out for the beach sign on your right. If you get to the ferry building, you've gone too far.

Additional Sites
